

Prospect Hospice  
together making every day count

# Food to order

Our delicious made to order food menu

# Introduction

## At Prospect Hospice we pride ourselves on delivering excellent food to our patients.

Mealtimes are incredibly important to those we care for and their families and being able to create something delicious for them to enjoy in their last days is something I, and the whole catering team at the charity, is incredibly proud to be able to do.

I'm delighted to say that we are now able to offer our catering to those beyond our patients and visitors through our external catering services providing you with sweet and savoury bakes for your meetings, coffee mornings and family gatherings.

All the money raised through your purchase comes straight back to the hospice ensuring that we can continue to deliver outstanding end of life care to those living in Swindon and north east Wiltshire.

All food pictured in this brochure is produced at the hospice by our team and can be made available to collect on your chosen day. Take a look through and select the items you'd like and I look forward to hearing from you with your order and preparing this for you.
